Hours of Operation:

Pro Shop and Office Hours:

We are open every day except Wednesday. Our office hours are 9 AM until 6 PM EST. Please call one of our customer service representatives for information and reservations. Call for winter hours.

Training Center Hours:

We are open every day except Christmas Day for training hill lessons. Training hill lessons are scheduled daily at 7:45 AM. Tandem instructional flights are scheduled daily at 9 AM or at 6 PM during the summer and fall months and at 9 AM or at 4 PM during the spring and winter months.

Discovery Tandems are scheduled daily from 9 AM until 30 minutes before dark. Actual flying time is 12-20 minutes depending on the conditions. Allow one hour of time with a reservation for check-in, a brief ground school and your flight.

Training Schedule:

Students train in the morning and late afternoon and early evening only. You will have the middle of the day free to relax.

Payment Policy:

Walk-ins are always welcome, but to guarantee your scheduled lesson or tandem discovery flight, we do strongly recommend reservations. We require full payment to guarantee your reservation. Paid reservations are the only way to confirm your scheduled lesson(s) or Learn-To-Fly Packages and the best way to minimize your wait time for Discovery Tandem Flights. We accept all major credit cards and the majority of our reservations are taken over the telephone by one of our customer service representatives.

To pay for your reservations by check, please make your reservation at least two weeks in advance and mail your check to:

Lookout Mountain Flight Park
7201 Scenic Highway, Rising Fawn, GA 30738.

Weather:

Nature does not mind a little rain, and neither do we. As long as there is no lightning or very strong winds, lessons and Discovery tandem flights will go as scheduled.

Windchecks:

Coupons which allow you to reschedule your Discovery tandem flight or your Learn To Fly Package within two years of the date of purchase. They are transferable but provide no cash value.

Age Requirement:

There is no minimum age requirement for Learn-To-Fly Packages or Discovery Tandem Flights however, we require persons under 18 years of age to have a parent's or legal guardian's signature on the Waiver and Release from Liability forms.

Weight Guidelines for Hang Gliding:

Our suggested minimum weight for the training hill program is 85 pounds. We do not have a minimum weight guideline for Discovery tandem flights. Our maximum weight for Discovery tandem flights is 250 pounds and we do require calm, stable, conditions for these flights. These flights are at the discretion of the instructor. Weights up to 225 pounds do not require special scheduling.

Where to stay:

Our 44 acre Landing Zone is in the valley, 10 minutes from the mountain launch, training hills, pro shop and office. Tandem aerotowing is done here! The LZ doubles as a full service campground with tent camping, cabin rentals and an RV park with full hook-ups. Pilots enjoy the use of our bath house, club house, swimming pool and volleyball court. Call The Landing at 800-803-7788 for information on lodging.

The LZ is 30 minutes from Chattanooga, most students prefer to stay here or in hotels nearby in Trenton. It is more convenient to commute from this area to Chattanooga for fun and recreation. There are numerous chain hotels in Chattanooga.
